Main Author: **Founder Aether Starborn**

This document aims to explain the process it takes to become a Central Council member. The election term cycle lasts every 2 months starting in April 2025. The voting period for nominees is held every 15th day of the 2nd month of each term cycle.

Definition of terms:

- a. “DON” - Declaration of Nomination
- b. “Nominees” - individuals running for the position of Central Council

Article 1. Nominations

- a. In accordance to Article 7, Section 4 of the 2025 constitution of Arx, these are the requirements to become a nominee for the Central Council:
 - i. Nominees must be a Pretors of Arx.
 - ii. Nominees must have a platform ready for campaign.
 - iii. Nominees must be at least 16 years old.
- b. If all these requirements are fulfilled, an individual may file a declaration of nomination to the Central Council in order to be added to the roster list of running nominees.
- c. The deadline of submission for the DON will be the last day of the 1st month of the term cycle. If you do not submit a declaration of nomination, you will not be able to run for the council.

Article 2. Campaigning

- a. Nominees for the Central Council are allowed to hold campaigns to gather support. These campaigns will only be allowed during the 1st day till the 14th day of the 2nd month of each term cycle.
- b. Additionally a forum channel will be made where nominees can post their platforms and the public may be able to ask them questions about it. Also a debate will be held by the Central Council for the nominees on the 7th day of the 2nd month of each term cycle.
- c. Nominees are allowed to use the following to promote themselves:
 - i. Map art placed in item frames or given away
 - ii. Word of mouth in-game (w/o spamming)
 - iii. Discord channel chats or voice calls (w/o spamming)
 - iv. Renamed items given to players (paper and such)

- d. Nominees will not be allowed to give out monetary gifts to people. It will be considered as vote buying and the nominee will be disqualified for the run. Arxians that report such behaviour will be given a reward by the Central Council.

Article 3. Voting

- a. Only Citizens and Pretors of Arx may be able to vote for a candidate as it is written in Article 6, Section 1 of the constitution.
- b. The Central Council will send a google form sheet on the day of the elections to a private channel where only citizens can access it.
- c. Voting period will start at the 15th day of the second month of every term cycle and ends 3 days later to give ample time for every citizen to give their votes.
- d. The votes will be using a balanced approval voting system to determine the favorability of each nominee.
 - i. The Balanced Approval Voting System (BAVS) is a system of election that uses three forms of vote which are **yes**, **no**, and **abstain**. Every citizen during the voting period can cast one of these three votes, and if no voting activity is declared, abstain will count as the default vote and will not affect net favorability. The nominee with the highest net favorability will win the election.
- e. Each citizen that votes gets a diamond.

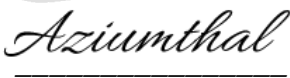

Article 4. Decision Making

- a. After the voting phase is over, the Central Council will deliberate who is the top nominee with the most favourability from the people.
- b. The decision phase will be until the end of the term cycle. It will consist of proper background checking for the nominee and possible interviews (Public) with the nominee to determine their worthiness for council. Article 7, Section 4 states that there is also a possibility for no nominees to be uplifted to the Central Council position.
