

Praetor Appointment & Service Standard (PAS01)

Act No. 0003
March 30th 2026
Main Author: **Councillor Snowclimb**

Preamble

This Act defines the appointment, standing, and service expectations of Praetors of Arx. Praetorship exists to maintain a trusted internal governmental community for private deliberation, security-sensitive matters, and efficient execution of state decisions.

Definitions of Terms

- a. Praetor - a senior trusted member of the state and government of Arx. Admitted into private deliberation and eligible for elevated permissions as determined by Central Council.
- b. Praetor (Active) - a Praetor currently participating meaningfully in Arx governance and/or community discussion.
- c. Praetor Emeritus (Inactive) - a Praetor not currently active; retained as trusted and consultative unless removed for cause.
- d. Meaningful Participation - continued engagement in Arx governance/community discussion in either Ingame or Discord related matters.
- e. Trusted Citizen (Appointment) - a Citizen formally appointed to increased operational responsibility within a Department or state program. This is an appointment, not a separate class of Citizenship.
- f. ADF Overseer - the appointed head of the Arx Defense Force referenced in ADF procedures.

Article 1. Principles

- a. Praetorship is granted by trust, alignment, and proven discretion
- b. Praetorship is not governed by quotas or mandatory workload requirements.
- c. The Central Council retains ultimate authority over Praetor appointment, classification, permissions, and removal
- d. The Central Council aims to remain small and active to preserve efficiency in decision-making.

Article 2. Appointment to Praetorship

- a. Appointment is case-by-case and requires:
 - i. Endorsement by two (2) Praetors; and
 - ii. Central Council Approval.
- b. Candidates should demonstrate one or more of:
 - i. Long-term trust and aligned conduct;
 - ii. Capability to assist governance and solve problems efficiently;
 - iii. Discretion in private discussions;
 - iv. Meaningful contributions to Arx's stability and development (including departmental work)
- c. Disqualifiers (unless waived by Council for extraordinary cause):
 - i. Dual Allegiance/Citizenship

- ii. Unpaid/Unresolved crimes against the nation;
- iii. Credible security concerns or repeated abuse of trust.

Article 3. Active and Inactive Standing

- a. Praetors may be classified as Active or Emeritus(Inactive/Retired) for clarity of availability and operational trust posture.
- b. Classification may occur by:
 - i. Self-declaration by the Praetor; or
 - ii. Central Council decision by majority vote.
- c. Guideline for Inactivity: A Praetor may be deemed inactive where they have had roughly one(1) month of no meaningful participation without notice.
- d. Inactive standing is not punitive; it's an administrative signal of availability and does not, by itself, imply wrongdoing.

Article 4. Privileges and Permissions

- a. Praetors may participate in private deliberation channels unless removed for cause.
- b. Praetors may be eligible for elevated permissions, including but not limited to:
 - i. Vault access and sensitive infrastructure access;
 - ii. Role assignment and administrative support functions;
 - iii. Appointment to Department Head Roles;
 - iv. Senior ADF command.
- c. Security Posture: Praetors classified as Emeritus (Inactive/Retired) may have permissions reduced to a level comparable to Citizens unless Central Council deems elevated permissions appropriate.
- d. Permission reductions/restorations for security shall be enacted by Central Council Majority Vote, and may be applied broadly or narrowly.
- e. Such reductions should not be construed as dishonourable or removal, but as a protective measure (e.g Against Hacked accounts or Blackmail of other Nations).

Article 5. ADF Integration

- a. Citizens may serve in the ADF by appointment as allowed by law and policy.
- b. Praetors may serve as ADF officers or commanders.
- c. The ADF Overseer shall be appointed by the Central Council (and be either a Praetor or a Councillor) and will hold authority as referenced in ADF procedures.

Article 6. Suspension and Removal

- a. Suspension or removal of Praetor standing may occur only by Central Council majority vote.
- b. Grounds include but are not limited to:
 - i. Security breach / Confirmed leakage;
 - ii. Abuse of authority;
 - iii. Serious criminal acts;
 - iv. Actions endangering national security;
 - v. Joining another nation or entering allegiance contrary to Arx;
 - vi. Unpaid/Unresolved crimes against the nation;
 - vii. Repeated violation of state policy.
- c. The Council may apply lesser actions before removal, including:

Technocratic State of Arx

Central Council

Philippi City, Technocratic State of Arx, Karydian continent, -9430, 230

- i. Permission reduction;
- ii. Temporary suspension pending review;
- iii. Initiation of a Probation period.

Article 7. Emergency Action

- a. In emergencies, a Praetor may act to protect Arxian security or public safety.
- b. Actions taken should be logged to the Council as soon as reasonably possible.
